Alphabetical List of Cottage Owners or Regular Occupants

y indicates year around home, o owner's use, p joint ownership, z owned by someone else in the family, r usually rented. The address with abbreviation St. omitted is the home address. All N. Y. State unless otherwise noted. PYe and PYw are Penn Yan Branch east or west side, Hae and Haw Hammondsport Branch east or west side and Bre and Brw Branchport Branch east or west side.

Indian Pines section has been given a numbering system. As no logical system could fit in with the existing lake numbers a standard street system has been adopted with the odd numbers on the left side and even numbers on the right. The new numbers are given in this directory with the old numbers in ().

Many people have thought the east side of the lake should be numbered continuously from Penn Yan to Hammondsport and the west side continuously from Hammondsport to Branchport. This would require a change in all of the numbers in Hae and Brw sections. This may be done in the next directory two years from now. Think about it. Any comments will be appreciated.
