Statement in Support – Historic Resource Inventory Form

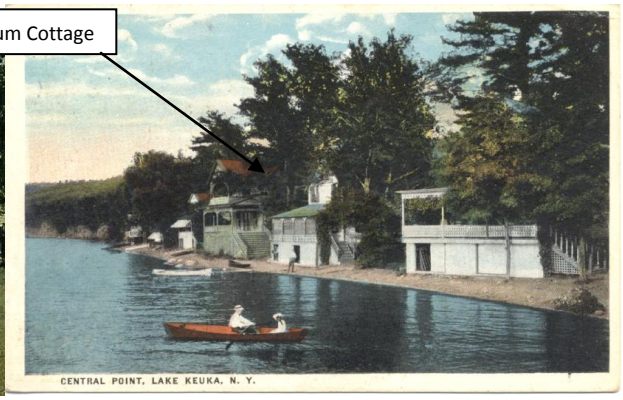

Property: 14697 Keuka Village Road, Wayne Township, Steuben County, New York ("Ultimatum Cottage")

The subject property is a single-family, wood frame, clapboard cottage located on Central Point, approximately halfway up the east side of the east branch of Keuka Lake. It and the three cottages immediately south comprise a pocket of resort cottages that have survived largely unchanged (architecturally) since their construction in the early 1890s.

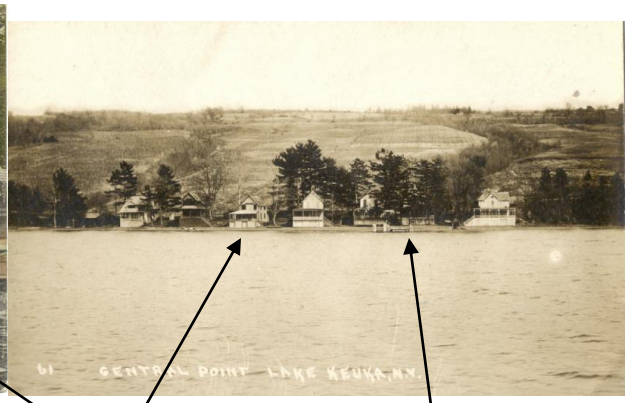

Central Point was one of the stops on the steamboat routes, and as such was considered a resort area. Contemporaneous postcards attest to this:
